

19th December, 2017.

Dear Parents and Guardians,

This year signals the end of your child's primary school education and a key decision will be made in the coming months with regards their secondary school choice. Selecting a school for your child and assisting them in making the transition to second level education can be an exciting time.

Deele College will make every effort to equip you and your child to arrive at the best decision through ongoing interactions and supplying you with the most up-to-date information over the coming months as you both take that journey into secondary education. In Deele College, we believe that we are very well placed to provide your child with a quality second level education in a modern, supportive and inclusive environment that will allow your child to flourish and to reach their full educational potential.

Deele College will hold its **Open Day for sixth class students on Wednesday 24th of January, 2018** and we hope that your child will have an opportunity to experience our excellent teaching and learning environment as they take part in this important day.

Deele College will host our Open Night for parents on Thursday 25th of January, 2018 at 6.30pm. We will deliver a short informative talk at 7.00pm on the programmes Deele College offers. The staff and our students will be available to talk with you, should you have any questions regarding any aspect of the school. We can facilitate tours of Deele College from 6.30pm and again following the information talk.

Thank you for considering Deele College as an option for your child's education and I look forward to meeting you on Thursday 25th of January, 2018 at our Open Night.

Entrance examinations for all enrolling students will take place on Saturday 3rd of February, 2018 at 10.00am in Deele College.

Enrolment will open from Monday 8th of January, 2018 and will remain open until Friday 2nd of February, 2018.

Enrolment forms will be available on our schools website www.deelecollege.ie. Deele College staff will visit all the primary schools prior to the Open Day and Open Night with further information and enrolment forms. Students attending our Open Day will also receive an enrolment form.

Yours sincerely,

Mr Joe Boyle
